## BANK MESSENGER ROBBED— THIEF SHOT

(By Associated Press)

New York, June 13.—Six hold-up men operating at the entrance of an elevated station in uptown Manhattan attacked two messengers of the Colonial Bank shortly before noon today and made off in an automobile with a large sum of money, which was being carried to the Federal Reserve Bank. One of the messengers shot one of the robbers who was carried to the automobile by his companions. The bank officials declined to make a statement as to the loss.

## BIG TRANSPORT IS SETTLING IN WATER

(By Associated Press)

New York, June 13.—The American transport ship "Walden", run aground on Wednesday night, appeared this morning to be lower in the water than when she went aground yesterday on a shoal nearly two miles out from Long Beach and some of her cargo was being taken off by tug. It was hoped repairs would permit her to be towed to this port. Officers in charge of the operations said it probably would be four or five days before she could be dragged off the shoal.

## MURDER TRIAL OF MRS. SKEELS CONTINUES

(By Associated Press)

Lawrence, Mass., June 13.—Prosecuting attorneys in the trial of Mrs. Bessie M. (Skeels) Landgren, who is charged with the murder of Miss Florence M. Gay, a patient, turned their attention to medical phases of the case today after testimony on the alleged larcenies from the Gay household had been completed by the Andover police. It is understood that Dr. Robert L. Emerson has been engaged by the defense as toxicologist to combat the opinions of Dr. W. E. Boos, of Boston, who will serve the state in a similar capacity. Mrs. Landgren appeared to be in better physical condition today than at any time. She took frequent notes of the testimony.

## TRANSPORT MEETS WITH ACCIDENT

(By Associated Press)

Boston, June 13.—The transport ship "F. Luckenbach", outward bound for Brazil, returned to port today having struck a submerged obstruction in the outer harbor last night. The steamer lost two propeller blades and was leaking slightly. She was placed in dry dock for repairs.

## Peace Treaty With Germany Has Been Rewritten--Doubt If Present Govern- ment Will Sign--Must Overthrow Those Now in Power--British Make Effort to Reopen Reparation Clause

(By Associated Press)

## CONFESSED TO DOUBLE MURDER AND ROBBERY

New York, June 13.—Confessing to double murder and robbery of the East Brooklyn Savings Bank last December has been made to District Attorney Lewis, by a prisoner brought here yesterday from Tacoma, Washington, it was announced at the District Attorney's office today. The man gives several names, none of which he says is his real name. He also stated, according to the District Attorney, that he had been a bank robber and a train robber for the past seven or eight years during which time he had stolen about \$450,000.

The peace treaty with Germany will virtually be rewritten so as to embody the changes decided upon in the allied reply to the German counter proposals which is now being framed for early delivery to the German plenipotentiaries. The treaty will not be altered in principle, it is explained, but the incorporation of explanations and clarifications which the allies have framed in the reply to the counter proposals will make almost a new document of it. It is expected that its publication will be authorized the day it is delivered to the Germans or the day following. While there seems to be a quite general belief that the Germans will accept the treaty terms, news dispatches from Paris reflect a certain amount of doubt whether the German delegates or the present German government will sign the covenant. French official circles are said to expect the immediate establishment of a radical Socialist administration which it is said may sign the treaty but the allies might not accept the signature of the radicals. Agreements in principle as to the most perplexing features of the reply have been reached, it being reported that a plebiscite in Alsace will be granted and that Germany will be admitted to the league of nations. The five great powers have informed Admiral Koichak head of the All Russian government, that the allies stand by their recent offer to furnish supplies and munitions to the Koichak army.

Paris, June 13.—The British have made an eleventh hour attempt to re-

open the question of reparations. They have submitted proposals introducing into the functions of the permanent reparations commission the principle of control of raw materials, etc., furnished Germany, enabling the commission to control Germany's economic development during the period it operates. The British effort has not met with a sympathetic reception by the reparations commission to which it was referred. It seems improbable that the proposals will be accepted but they constitute one of the causes in the delay of the reply to the Germans which it was rumored today probably would not be presented until Monday. The Council of Four today devoted most of its session to the revision of the text of the treaty. When the forenoon session ended the Council had sent to the revision commission 18 reports. Among those remaining to be passed are several dealing with important subjects. These subjects include the Saar Valley, Alsace Lorraine and the league of nations. The revision commission, which is in constant session, is headed by a member of the French Mission.

## THE WEATHER

Washington, June 13.—Fair tonight, slightly warmer in the interior, Saturday fair and warmer, except on the eastern Maine coast. Gentle shifting winds.

## CITIZENS STRIKE IN BERLIN THREATENED

(By Associated Press)

Berlin, Thursday, June 12.—A secret session of the Citizens' Council of Great Berlin held on Wednesday declared in favor of a citizens strike according to a Socialist newspaper. The attendance included a number of leading manufacturers, merchants and professional men and Col. Reinhardt, the Prussian Minister of War. The chairman of the meeting is quoted as declaring that a strike was necessary because the present government was incapable of restoring Germany from chaos. All the food industries, including bakeries, would cease work, according to the plan, this leading to civil war which, it was held, would

## FRENCH MAKE ALTITUDE RECORD FLYING

(By Associated Press)

Paris, Thursday, June 12.—An announcement in radio that Marianne De la Roche, a widely known French aviatrix, driving a small biplane, has reached an altitude of 16,700 feet. She is given the record for height attained by women fliers. The level she reached is over a thousand feet higher than the best record made by Ruth Law, who has heretofore held the women's altitude record.

help the Bourgeoisie attain political power. The citizens would be armed and Col. Reinhardt is reported to have said his troops would be entirely on their side.

We are pleased to announce that we have obtained for this city the exclusive sale of the Nationally known and Nationally favored

## Wirthmor and Welworth Waists

—After a very careful investigation we have arranged to distribute those two nationally-known and nationally favored lines of Waists in this city. Before deciding on this step we learned the Wirthmor and Welworth Waists were being handled by many of the best stores in America; that they had attained through their unvarying excellence a nation-wide popularity; that because of the unique Wirthmor Plan, under which they are made and sold that they always represented the highest possible standard of value in popular price Blouses, and further because of this very unusual method of making and selling Waists we would be able to show the new and wanted styles first, in many instances long in advance of their appearance in the market generally.

These are America's only known priced Waists, and they are sold at the same low prices the nation over.

\$1.50  
(for the Wirthmor)

\$2.50  
(for the Welworth)

Lewis E. Staples, 13 Market St.

## INVENTORY OF BIG ESTATES ARE FILED IN YORK COUNTY

An inventory in the large estate of the late Ernest M. Goodell, one of the principal owners of the Sanford mills, was filed in the probate court of York county at Alfred on Wednesday. It amounts to something in excess of \$1,000,000, of which much the greater part is in personality. It is the most valuable estate which has been reported to the court in York county for many years.

Another large estate, the inventory of which was filed Wednesday, is that of the late Frances E. Moulton of Limerick, a very able and successful woman banker. The inventory shows real and personal property worth \$300,000, of which \$200,000 is personal, and \$100,000 is realty. The heirs to this estate are Charles G. Moulton, her husband, and Olga F. Moulton, daughter of the decedent.

Accounts were allowed in the following estates: Abbie E. Warren, late of Kennebunk; Florence E. Burnham, late of Kennebunk; distribution account in estate of Israel Smith estate, late of Biddeford; Mary J. Garvey estate, late of Sanford; Charles W. Lincolnton, late of Alfred; Charles W. Trapp, late of Sanford; Jason H. Sawyer, late of Saco; estate of Clifton B. Hildreth, late of York; estate of Nettie A. Tarr, late of Biddeford; estate of Fred C. Gupill, late of Biddeford; Otis H. Farroth, late of Kittery.

Inventories were filed in the following estates: Eleazer W. Hoyt, late of Kittery; Martha T. Hoyt, late of Kittery; Michael J. McGinn, late of Saco; Henry P. Curtis, late of Kennebunk; Lillie J. Boothby, late of Kennebunk; George W. Taylor, late of Kennebunk; Sarah C. Bonter, late of Saco; Oshorn W. Ramsay, late of Rochester, N. H.; Mabel M. Sands, late of Biddeford.

Will of John W. Harmon, late of Hollis, allowed. Frances M. Harmon of Hollis appointed executrix.

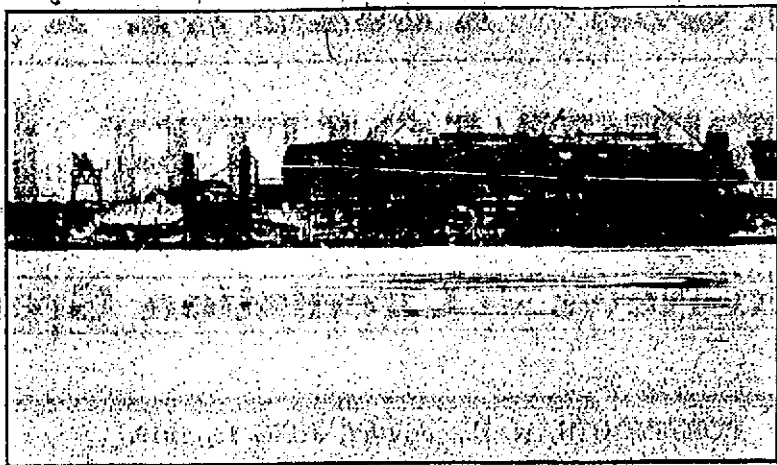

Accounts for notice in estates of Philander H. Libbey, late of Biddeford; Carl A. Knox, late of Biddeford; Jennie W. Cobb, late of Saco.

Administration was granted in the following estates: Samuel G. Cannoll, late of Saco; Leonard C. Walker, late of Lyman; Juanae Albott, late of Concord, N. H.; Jasper T. Hazen, late of York; Hanna T. Bonser, late of Kennebunk; Hannah E. Deane, late of Parsonsfield.

Inventories filed in estates of Roscoe J. Palmer, late of Biddeford; Elizabeth G. Ginn, late of Kittery. License granted to sell real estate in the following estates: Cynthia M. and Paul G. Sawyer of Sanford; Orville B. Planders, late of Kittery.

Notice was ordered on a petition of administration in the estate of Ernestine Clement, late of Sanford. The inheritance tax was determined

as being \$14.98 in the estate of Lucy R. Locke, late of Biddeford.

A guardian was appointed for Frances W. and Milton H. Bonser, of Kennebunk.

Notice was ordered on a petition for distribution in the estate of Lucy R. Locke, late of Biddeford.

Petition for probate of foreign will of William T. Nichols, late of Bangor, Me., filed for notice.

Will of John H. Verrill, late of York, filed for notice. Estimated \$40,000; will of Robert P. Benson, late of Kennebunkport, filed for notice; will of Ansel N. Boothby, late of Kennebunkport, filed for notice.

In the will of Rosalia Nadeau, late of Biddeford, she gives her estate to her husband, Eugene Nadeau.

## 500,000 MEN IN NEW YORK—BOLSHEVIKI

Schenectady, N. Y., June 12.—There are probably between 300,000 and 500,000 men and women living in New York city who believe in and advocate the unlawful and forcible seizure of property and the revolutionary overthrow of the established government. This estimate was given by State Senator Clayton R. Lusk, chairman of the Joint Legislative Committee investigating sedition activities in this state, in an address tonight before the State conference of Mayors and other city officials.

"A few years ago," Senator Lusk said, "these doctrines were systematically advanced by a few so-called 'crack pots.' Today in the city of New York this propaganda is being systematically handled by shrewd, experienced men and women who seem to be systematically coordinating their efforts and who apparently have no lack of funds with which to operate. In New York city alone over 60 publications are regularly circulated advocating this radical doctrine.

"A large number of public meetings are held each week in the city in which these doctrines are openly advocated. When the speakers at these meetings suggest accomplishing their results by force and violence the suggestion is received with tremendous applause. It is estimated by people in a position to know that as many as one hundred meetings of this kind have been held in the city in one week. Speakers are being sent throughout the state and have been holding meetings even in the smallest cities, and they are circulating their literature among the working men throughout the entire state."

Senator Lusk suggested as an immediate and temporary remedy an appeal to public sentiment and reason by means of public meetings and the press. "The time has come," he said, "to make it perfectly plain that this is not a political question; it is not a question upon which men and women with knowledge of the facts can honestly differ."

Senator Lusk also suggested that police officers of unquestioned patriotism and ability should be assigned to this work and instructed to see to it that the holding of meetings and the distribution of seditious literature is stopped. He also called to the attention of the city officials the new state law which provides that the governing boards of cities may establish industrial advisory bureaus. This law provides an instrument, he said, whereby city officials can be in touch with the unemployed and discontent in the community and show them that the state is able and willing to take care of its people in its industrial depression.

Regarding a permanent remedy, Senator Lusk said that practically

the only remedy suggested so far is a change of legislation which when analyzed amounts to little more than a wage raising program. "Something constructive," he said, "must be done to do away with profiteering and to do away with capital's ruling excessive and unreasonable profits on the necessities and luxuries of life before the real permanent remedy for this industrial unrest will be reached."

## KITTERY

Kittery, June 13.—Clarence W. McNeal of Lebanon, N. H., and a student at New Hampshire college, Durham, who was drowned while canoeing on the river on Thursday evening, had been quite a frequent visitor to Kittery, having accompanied Roy D. Kachic, also a student at the same college, on several occasions when he visited his home here, the last being on Sunday last.

The baccalaureat service will be delivered before the graduating class of Trinity Academy on Sunday, June 22, by Rev. John A. Waterworth of the Congregational church at Kittery Point.

Mrs. George Realek of Pierson street is slowly improving from her illness.

Canton Hayes, P. M., holds a regular meeting this evening.

Mrs. Martha Hutchins is visiting in Manchester, N. H.

York Tobekah lodge very fittingly observed its annual Children's Night before the regular meeting on Thursday evening, and a large number of little ones and their mothers were present. The feature of the evening was the doll carriage parade by the children. Refreshments of ice cream, cake and fancy cookies were served. Mrs. Charles Chapman was in general charge of the affair.

Mrs. Milton Brewster of Love lane has returned from a visit of several weeks with relatives at Cape Cod, Mass.

Howard Langdon of Central street has been a recent visitor in New Castle.

A car for every occasion. Call the Kittery Garage for auto service. Telephone 811-W.

Mr. and Mrs. Sarah Caswell of North Kittery and Mr. and Mrs. Fred bounds of the Bag road left Thursday for a week's fishing trip at Bangor, Me.

The drive for books for the sick soldiers closes on July 1, and any who have books which they wish to donate to this worthy cause may leave them at the Free Public Library; all books may be purchased there for the sum of 55 cents. Already 25 books have been turned in and it is hoped that this number may be doubled.

Miss Sabra Phillips has returned to her home at Kittery Point after visiting her sister, Mrs. Sarah Phillips.

Harry Goodwin, U. S. N., has been passing a brief furlough with relatives here.

Mrs. Morton Savoy and little son of Portsmouth have been the recent guests of Mrs. Woodbury Leno of Wentworth street.

WOOD TO MACHINE saw. Also hard wood for sale \$14.00 per cord sawed and delivered. Wolf Blodrock, Phone 1359-W, So. Elm St. Me. 1st mtg.

Mr. and Mrs. Earl Kimble, who were married while the former was on his vacation trip to his former home in Illinois, arrived in Kittery on Thursday afternoon, and are stopping for a few days at the home of Mr. and Mrs. A. H. Brackett on Love lane. They will shortly take up their residence at Atlantic Heights, Portsmouth.

Mrs. Sarah Phillips, who has been passing several weeks at her home here, has returned to Thuerhill.

Constitution Lodge No. 88, Knights of Pythias, has received an invitation to participate with Damon Lodge of Portsmouth in the observance of memorial exercises for their deceased members on Sunday, June 15.

The local Methodist churches will begin their centenary drive on Sunday next, and continue throughout the week.

## ELIOT

The baccalaureat services of the Holy high school will be held on Sunday at the First Congregational church, beginning at 10.15. Sermon by the pastor, Rev. D. T. Conlan. Special music.

## KITTERY POINT

Kittery Point, June 13.—Mr. and Mrs. Luther Lewis are visiting friends in Pittsfield, Mass., for a week.

Herbert Blake has moved his family from Kittery Depot to the home of his father, Samuel Blake of this place. Charles Higgins of Winthrop, Me., has purchased the house of Mrs. George Bliss of Boston.

Wesley Gales of New York arrived in town last evening and will spend the summer at the "Dilly Box."

Children's Day Concert will be observed on Sunday evening at the First Christian church.

Mrs. Clarence Mackney was a visitor in New Castle, N. H., on Thursday.

Mrs. C. A. Perry of Bath, Me., is visiting Mrs. H. McCarty.

Miss Ethel Frances will entertain the members of the K. E. G. Panbroidery Club at her home this evening.

Schools closed in town today for the summer vacation. Appropriate exercises were held in the different rooms. Ice cream and cake were served to all grades by the teachers.

Mrs. J. Russell Goodwin and two little daughters were visitors in York on Thursday, spending the day.

The young men's Sunday School class of the First Christian church will hold an open air social at Sea Point on Friday evening, June 20. Ice cream will be on sale for the benefit of the class.

A rehearsal for Children's Day concert of the Congregational church will be held at 4 o'clock on Saturday afternoon in the church.

## LEMON JUICE

### FOR FRECKLES

Girls! Make beauty lotion for a few cents—Try it!

Squeeze the juice of two lemons into a bottle containing three ounces of distilled water, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and rosy-white the skin becomes. Yes! It is harmless and never irritates.

The Herald never disappoints when it comes to serving up the news.

## Why You Should Buy Coal Now

The price of coal is 75 per cent determined by wages. The wage agreement at the mines continues until April 1, 1920. The Fuel Administration reports that 35 per cent of the mines cannot make any money at the present mine prices. In view of this, how can coal be cheaper this year?

## ANSWER IS FINISHED AND BEING DRAFTED

(By Associated Press)

The Peace Conference barometer which has swung between optimism and pessimism, as to the probability of an early agreement to the answer of the allied and Associated governments to the German counter proposals has again swung back to optimism. From Paris comes almost a definite statement that the reply is completed and all that is required is to draft the answer, present it to the Germans and then wait five days to see whether Germany rejects or accepts the measure.

According to a statement from an authoritative source, agreements have been reached on the principal points of questions, which include Germany's admission to the league of nations and on the Silesia question. It is unofficially said that the presentation will be made some time Saturday.

In Austria-Hungary the political situation is very acute and reports are that the communists government will be set up in Austria on Sunday and that it will be allied with the Soviet government of Hungary.

In Germany Gustave Noske Minister of Defense, has thrown down the gauntlet to the radicals and socialists, who have been attempting to force him to resign. He defies them and says that he is in the government and will remain as long as the government needs his services to preserve it. His stern suppression of the recent radical movement has made him unpopular among the Reds.

The Supreme Council has informed the Greek government of Russia, that their answer is satisfactory. This is taken as meaning that the Allied and Associated governments are giving a definite recognition to that government. Details are being made by the British government that the British troops are operating against Petrograd.

## HAGEN WINS OPEN GOLF CHAMPIONSHIP

(By Associated Press)

Newton, Mass., June 12—Walter Hagen of Oakland Country Club Detroit, once again won the national open championship today when he defeated Mike Brady of Boston, in the play-off of the tie, by one stroke. It was a wonderful match in which there was a tension that made it possible for either to break, but they played a fine golf. Brady got away bad but he played fine golf after that and at the last hole, was but one stroke behind. Hagen here made his only miss, toppling his drive and it narrowly escaped missing the brook. He was on however with the whole of an iron shot and down in four, Brady played straight down the alley and pitched his second on the green and made a bold attempt to hole a three which he missed by a few inches.

Hagen held the title in 113 the last professional at to hold it.

## REBELS THREATEN JAUREZ

(By Associated Press)

Jaurez, Mex., June 12—It is reported that all of the civilian population were ordered into the house at nine o'clock by orders of the military authority.

After a day of anxiety, Jaurez is still in the hands of the Federal troops are on three sides of the city from two to twenty miles away.

## SHIPPING BOARD INVESTIGATION

Washington, June 12—Investigation of expenditures by the Shipping Board and Emergency Fleet Corporation was arranged today by Senator Lodge and Representative Mondell, Republican leaders in the Senate and House, re-

spectively. A special House committee, probably will conduct the inquiry. Investigations of the War Risk Insurance Bureau and the Alien Property Custodian's office also were discussed, but final decision was deferred. It was said these inquiries also probably would be conducted by the House.

## TO CRIPPLE TEL. SERVICE BY STRIKE

(By Associated Press)

Atlantic City, June 12—A strike designed to cripple the telephone system of the country will begin on Monday with the sanction of American Federation of Labor, if the working conditions are not improved and better wages given by Postmaster Harrison. By unanimous vote the reconstruction committee have given its support to the electrical workers and operators and President Gompers has been asked to appoint a committee to work with the electrical workers and present their claims to Washington.

## ASK ORGANIZER OF N. H. WAGE EARNERS

Request of the American Federation of Labor for a labor organizer for the state of New Hampshire, that union peoples here may more thoroughly be welded together by more complete organization, has been made by Delegate Patrick Cahillane of City Employees Local No. 16, 391, Manchester, in the form of a petition presented at the convention of the national organization at Atlantic City this week.

The purpose of the request, as stated in the resolution, is to secure even greater progress in the organization of the wage workers of the state, among whom good progress has already been made. The resolution in full reads:

Whereas, the organized labor movement of New Hampshire has been active in efforts to perfect the organization of all wage workers, and

Whereas, in the furtherance of this plan the active union men and women of New Hampshire have been untiring in their efforts and unparalyzing in their contribution of time and finances and

Whereas, it is believed that greater progress can be made in this work by an organizer of the American Federation of Labor who will bring to his aid the prestige of the whole labor movement.

It is resolved, by the 38th annual convention of the American Federation of Labor that the executive board be instructed to designate an organizer for New Hampshire who shall direct and co-operate with efforts of the existing labor movement to perfect the organizing of its workers.

## BOTH SIDES SEEM SATISFIED WITH STRIKE

(By Associated Press)

Chicago, June 12—Despite the claims of the union officials that 18,000 commercial telegraph operators are out on a strike, business between the large cities especially are being handled on a normal basis according to officials of the companies. The strike is that workmen may be permitted to organize, and have the right of collective bargaining.

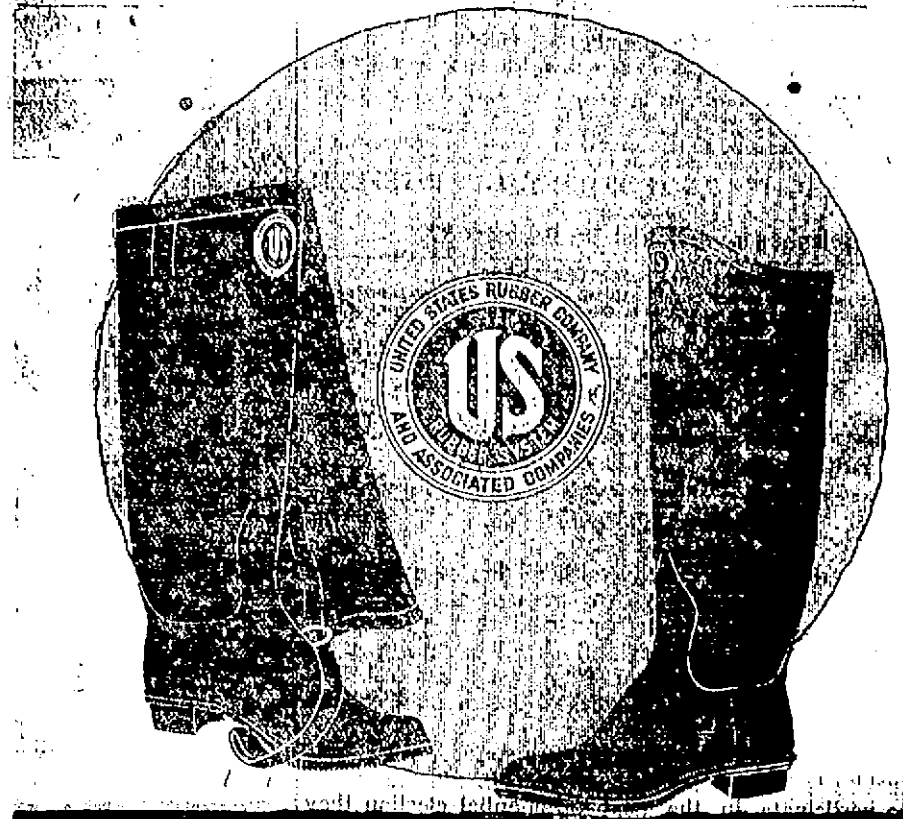

## WILL CURTAIL NAVAL AVIATION

Washington, June 12—Abandonment of the navy's extensive plans for experiments with rigid and non-rigid types of lighter-than-air flying machines was said by naval officers yesterday to be presaged by action of the House naval affairs committee in cutting the appropriation for the navy from \$15,000,000 to \$15,000,000.

Secretary Daniels said it would take the navy a long time to recover from the effects of the setback naval aviation would receive should the revised figures stand.

"We had outlined a program for the coming year," Mr. Daniels said, "and would have placed the United States navy on a footing with other navies of the world, with regard to aviation, and it followed up consistently for the next few years probably would have made the United States the leader in the field of naval aviation. If we are limited to the sum set in the House bill, we will hardly be able to benefit from the lessons learned from the NC-1's flight across the Atlantic, and will certainly not be able to carry on the experiments with aircraft of the Zeppelin type that we had planned."

"The Zeppelin type of aircraft constitutes the eyes of the modern fighting fleet," said Captain T. T. Craven, director of naval aviation, "and our navy stands practically alone among those of the world powers in its lack of this indispensable type of aircraft."

## Dry, Comfortable Feet and Legs Make The Day's Hard Work Easier

It certainly makes a big difference to your health and pocketbook, when your feet and legs are snug and warm in sturdy U. S. "Protected" rubber boots.

Seas may rage, spray may pelt—but heavy service, double-duty "U. S." is reinforced for hard usage and wards off wet and chill.

There's comfort, economy and thorough reliability in U. S. "Protected" rubber boots. They outwear ordinary rubber boots because they are built staunch and true by patented process. During the war the Government probably used more U. S. "Protected" rubber boots than of all other makes combined.

The "U. S. Seal"—trade mark of the largest rubber manufacturer in the world is on every pair of "U. S." It is placed there for your guidance and protection. Look for this seal. Wear the kind of U. S. "Protected" rubber boots that your needs require. Your dealer has it or can get it quickly.

## The States Will Now Decide.

Several states have already ratified the constitutional amendment providing suffrage for women, and others are preparing to act promptly. It is probable that in numerous states special sessions of the Legislatures will be called for this purpose. Governor Smith of New York has called a special session to be held next week to accept or reject the amendment.

And his reasons for prompt action are sound. He says if the franchise is to be extended to women in time to enable them to participate in the next presidential election they should receive the ballot in time to take part in the primaries also, as otherwise they could have no choice in the selection of candidates by voting for delegates to the national conventions. This is true, and it is only fair that if they are going to vote at the election they should be able to help choose the delegates who will name the candidates.

The agitation for woman's suffrage has been going on for many years, and now that Congress has submitted the matter to the legislatures in accordance with the prescribed rule for amending the constitution, it is proper that the action of those bodies should be as prompt as possible. All of the arguments, for and against, have been repeatedly and forcefully presented. The period of debate is past, so far as Congress is concerned, and it remains for the states, through their representatives, to record their convictions on a question of great importance.

There have been, and still are, pronounced differences of opinion on this matter, as there are on all important questions, and it is time for the country to know which view is to preponderate. It is the general impression that the amendment will be ratified by the requisite three fourths of all the states, and perhaps more, for there is no blinking the fact that popular sentiment has been drifting toward suffrage for women steadily in the last few years in spite of the ill-advised action of some of its champions, which was enough to disgust, and did disgust, large numbers of men and women who feel that the sacrifice of dignity in any cause, no matter how meritorious, is unnecessary and impolitic.

But all this is of the past. The question is now before the people to be decided by their legal representatives, who, it is safe to say, will be governed by the wishes of their constituents so far as they are able to ascertain what those wishes are. And there will be little trouble in doing this. Legislators are drawn from all parts of their respective states and are in a position to know public sentiment on any important question.

It will be a relief to the country to have this question disposed of, as it will be if the amendment is ratified, as expected. Should it be defeated, it would mean the renewal of the agitation, of which both friends and opponents of the movement have had a sufficiency.

York County, Me., is looking for bumper crops of hay and blueberries. This is a pleasing prospect with hay worth from \$35 to \$50 a ton, and the probability is that blueberries will be plenty high enough to suit the "ultimate consumer."

There is before the Massachusetts Legislature a bill providing a penalty of from five to ten years' imprisonment for automobile stealing. "Ought to pass" will undoubtedly be the verdict of automobilists in that and other states.

Is Winnipeg a part of the world that has been made safe for democracy? It would hardly seem so with mobs throwing missiles and the police "retaliating" by a free use of their batons on the heads of demonstrators.

The fact that two rousing mass meetings have lately been held in Boston, one to protest against prohibition and the other to espouse the cause of Ireland, does not necessarily imply that the two causes are intimately related.

Nobody is feeling better over the action of Congress on the suffrage question than the Portsmouth Equal Suffrage League, whose jubilee meeting on Tuesday afternoon was highly enthusiastic and pleasurable.

It is hardly to be wondered at that the French are strongly opposed to the speedy inclusion of Germany in the League of Nations. France has had enough of Germany to last her for many years to come.

American army horses and mules are being sold to the people of France to be used in cultivating the land. It will be a welcome change for the animals and a great lift to the farmers.

Senator Dyer of Missouri has cabled President Wilson to use his authority in saving beer and light wines. But hasn't the President disclaimed authority in the matter?

Now that it is settled that Secretary of the Navy Daniels is not to resign, his critics will have to be resigned.

## EDITORIAL COMMENT

### Only One Flag For Kansas

(From the Savannah News)  
 Somebody raised a howl in Kansas to the tune of "Kansas has no State flag." And the average Kansas people have come back with a swelling chorus of "The Star-Spangled Banner."

### Results of Indication

(From the Buffalo Express)  
 How much longer are the British and American governments going to continue this policy of fighting Bolshevism one week and protesting it from destruction the next? What other outcome than general destruction and anarchy can be expected from it?

Where The "League" Would Work  
 (From the New York Herald)  
 Nicaragua has called the United States for protection against revolutionary forces in Costa Rica who are making trouble on the Nicaraguan border. Under a covenant of League of Nations, controlled by non-Americans, the matter would be referred to the League and a decision reached in a year or two. The League would ignore the Monroe Doctrine on the ground that international interests prevail against any mere "regional understanding."

### "Unacceptable"

(From the New York Sun)  
 "Unacceptable"—what a word to laurel Berlin found the treaty "unacceptable," and presently Vienna gave her treaty a glance and murmured "Unacceptable."  
 Thus, the word of words grow in number and broaden in scope. One almost knows that Mr. Willard, or as the case may be, Mr. Dempsey, in Independence Day, will have occasion politely to protest, "I find your upsurge, sir, unacceptable." Fifth avenue may whisper reproachfully to Broadway "Old dear, your condition I deem unacceptable." Even Mr. Cobb at times has seen to glare at Mr. Johnson with a look which can confidently be translated, "Walter, old top, your curves this afternoon are unacceptable." Diplomatic language which the vulgar have been known to call "bunk" will in the future, because of this gift, be considered less unacceptable.

### Mr. Talk Than Arrests

(From the Florida Times-Journal)  
 We really don't know which is the more wonderful—the inability of the marshes to hurt anybody or the inability of the police and secret service men to catch them. Bombs are sent through the mails or otherwise and they explode, but Providence generally seems to take care of the intended victims. Then the police and secret service men get active or pretend to and tell the public how they are going to arrest the miscreants, but don't arrest them. There is too much talk and too little else and it may be that there is to little else because there is too much talk.

## PEOPLE'S OPINIONS

### School Boys Heard From

Editor:  
 Will you kindly allow us to ask through The Herald when the bathhouse at the playground will be moved to deeper water where it belongs. We are bathing much.  
 TWELVE SCHOOL BOYS.

### Wants to See It End

Kittery, Me., June 13, 1919.

Editor Herald:  
 A communication published under date of June 10, and signed E. F. Hayes, relating to the tag day shows the live spirit of the writer who makes a crying appeal for the soldiers and also for the July 4 celebration.

While hardly any one can be found who has any objections to the proposed honor for the World War heroes and the celebration for the day, I like to ask when will the drives and tag days ever end?

The war is practically over and the various drives continue to come from one source and another. The public will tire of it all through the war and contributed to everything generously. Now I hope that we hear or see no more of drives after the coming tag day.  
 B. F. J.

## NAVY YARD NOTES

### Accidental Shooting

Private Frank G. Smith, U. S. M. C., at one time stationed at the local barracks, was found unconscious at the experimental station in New London early Thursday morning with a bullet wound in the head. He died at the naval hospital a few hours later.

The shooting is being investigated by a board of officers. It was officially stated that the shooting was accidental, although it had been previously rumored that it was with suicidal intent. Private Smith was a member of the 142th Company.

### To Get Another Crane

Representative Tinkham of Massachusetts has been advised by the Navy Department that in order to prevent a reduction in force at the Boston navy yard, the floating crane

in use at the Brooklyn navy yard will be sent there immediately to replace Boston's immense crane, which is to be used in New York to install heavy guns on the Tennessee.

### Now In Commission

The destroyer Hilo recently christened at the Bath Iron Works in honor of the late Senator Hale of Maine, arrived at the Boston navy yard on Thursday afternoon. The ship was placed in commission by Lt. D. J. O'Connell, captain of the yard, who read the orders from Secretary Daniels designating Commander J. T. Parquhar as the commanding officer. The vessel has a crew of 108 men.

### Claim Men Losing Time

On account of the loss of so much time by the workmen, the sale of food stuffs which has been going on at the Charlestown navy yard has been transferred to the Myrtle Wharf Terminal. The men will be obliged to do at their purchasing in their own time. It has come to the attention of the officers of the yard that some of the goods have been purchased by the men for outsiders. This is forbidden under the regulations and those detected will lose the right to purchase anything in the future and will be disciplined in addition.

### Did Boston Stand for This?

The destroyers Cassin and Watright have been ordered from the Charlestown navy yard to the Philadelphia navy yard to be repaired, according to a notice received at Charlestown Thursday.

### Must Wait Till July 1

No more promotions will be made of yeomen (P) until after July 1, according to a notice received Thursday from Washington at the First Naval District. Several of the yeomen (P) are still waiting for an advance in rating.

### Gob Takes Objections

The Herald recently announced the arrival of the U. S. S. Rappahannock at the local yard and referred to the ship as an animal transport. Regarding this classification of the Rappahannock, a communication over the signature of a "Gob" has been received at The Herald office in which "Gob" calls for "journalistic accuracy" and incidentally takes a ship at Portsmouth.

Our friend "Gob" says the vessel is a supply ship, does not carry animals and that the navy does not use animals in the first place.

For the benefit of this member of the ship's company, we might say the navy doesn't use soldiers but carries them on the several ships of the service. As to the accuracy we believe that "Gob" has a chance to improve by looking over the ship's library and we refer him to the ship's data book issued by the bureau of construction and repair at Washington, D. C. under date of Nov. 1, 1918, page 614. Item 262, which registers the Rappahannock as an animal transport.

The U. S. S. Rappahannock will be a supply ship when the work planned at Portsmouth navy yard is completed, according to our best information from naval circles.

### Ready on Saturday

The U. S. S. South Dakota will be ready for sea on Saturday but will likely not sail until Monday.

### Two Years' Foreign Cruise

The U. S. S. Pillsbury will be ready for her two years' foreign cruise on Monday but may not sail for a few days later in case her new radio set is ordered tested out at the local yard.

### Furloughs to Be Numerous

It looks as if furloughs will be numerous next week owing to lack of money.

### Getting Shore Duty

Lieut. George H. Tepper of the Junior grade has been ordered to shore duty in the construction corps having been detached from the U. S. S. South Dakota.

### Will Be Supply Ship

The U. S. S. Rappahannock will be converted into a fleet supply ship. A survey for this purpose was made by the board of inspection and survey last January at some other navy port.

### Crane Tips Over

One of the yard 60-foot traveling cranes lost its center gravity in lifting a load on a curve near building 80 this forenoon and tipped over. Nobody was injured and outside of the boom the crane suffered little damage.

### Orders Cancelled

The orders directing some of the Yeomen (P) to be transferred for duty at the Great Lakes training station have been cancelled by the department.

### SERGEANT TAKE THAT MAN'S NAME

Tell him that the next meeting of the Frank E. Booma Post, American Legion, will be held at the Elk's Lodge Room at 8 p. m. Monday June 16th. Any member who honorably served with the forces of the U. S. Army, Navy or Marine Corps, or any citizen of the U. S. with the Allied forces during the period of the war is eligible to membership, so all you waverers of the uniform step up.

The Frank E. Booma Post, American Legion has been invited to attend the Elk's Flag Day celebration to be held at Colonial Theatre Sunday evening June 16th. Seating is reserved for the Post.

## OUR BOYS SERVING UNDER STARS & STRIPES

Leigh F. Blaney of Kittery was a foreman in the apprentice department at the General Electric plant in Pittsfield, Mass., when he enlisted in the service. A wrist watch was given the young man by the employees in that branch of the service at the time of his leaving his position. Its being lost by the young man at the time he left and picked up in Newport, Vt., and its owner traced to France and the watch returned to him forms an interesting story.

Last July a young woman telephone

LEIGH F. BLANEY

operator at Newport, Vt., while going to work picked up a wrist watch near the railroad track in the Newport yard. On the back case was engraved "L. F. B., by App. Dept." The night before companies of soldiers had passed through Newport, en route to Camp Devens. The Ambulance company in which young Blaney served soon sailed for France and

ARTHUR BLANEY

into owner of the lost time piece was communicated with and proved it was his property, and it was sent to him in France. He later went to Germany for duty and rewarded the finder of the watch with a souvenir gift from Andernach, Germany.

## APPEAL DISMISSED IN THE ESTATE OF THE LATE SARAH J. FARMER

Judge Morrill Affirms Decree of York County Probate Court.

Judge Morrill of the York County Supreme court of York County has dismissed the appeal in the estate of the late Sarah J. Farmer of Eliot. The appeal from the decree of the probate court was made by Emma B. Hammond of Eliot and Sarah F. Rogers of York. The finding of Judge Morrill is the following:

### STATE OF MAINE

York S. S. Clerk's Office. No. 113.

Supreme Judicial Court, May Term, A. D. 1919. Emma B. Hammond, appellant from decree of probate, vs. estate of Sarah J. Farmer.

This action was entered in this court upon appeal from the probate

the season on Sunday, Rev. John F. Burlingame, N. J., will conduct the services. Miss Ethel Whitton Thompson of York will have the position of organist and Miss Dorothea Thullen of Philadelphia will be soloist.

## BIG DRIVE TO GET "TENT" CATERPILLARS

Washington, June 12.—Now for the big drive to get the "tent" caterpillars those wabby things that hang in the trees in June. This is the game at which the boys and girls have the best kind of fun, says the American Forestry Association which urges that organization be effected by block formations in order to rid the trees of the pests.

"The tents," says the association, are common at this time on wild cherries, mulberries, willows and other trees. Apply a burning rag or torch to the web or else squirt a little kerosene into the web. This should be done under proper supervision in every case.

A suggestion or June is to "spray" for leaf eating insects for most of them commence defoliation at the end of May. Spraying for sucking insects is urged and advice along these lines will be gladly given to any who write to the American Forestry Association, Washington, D. C., and enclose a stamp for answer.

## STRIKERS CLAIM LARGE ADDITIONS

(By Associated Press)

Chicago, June 13.—At the opening of the third day of the Commercial telegraphers strike, leaders in the unions today professed to be encouraged asserting that additional men had gone out during the last 24 hours and that more would join the ranks of the strikers during the day. On the other hand, officials of the Western Union and Postal Tel. Companies claimed that only slight inconvenience had been caused by the walkout.

First steps toward a settlement of the nation wide strike of commercial telegraphers were taken today when officials of the Commercial Telegraphers Union of America submitted to the Postal Tel. Co., conditions upon which an agreement could be based. The conditions in effect provide that the strike would be called off so far as the Postal is concerned if that company will agree to wage adjustments immediately after full control has been given the company by the Wire Administration.

## GRANGE HAS BOX PARTY AND PLEASING PROGRAM

The regular meeting of Strawberry Bank Grange at Grange hall on Thursday evening was of especial interest. The entertainment was given by the unmarried ladies of the order and in charge of Miss Ruth Baker. The principal feature of the program was a series of living pictures illustrating songs, which were rendered by a

chorus of young ladies. They were as follows:

"Fill Me With Agave,"—Millicent Seavey and Margaret aGidner.  
"Bubbles,"—Viola Callha.  
"The Rosary,"—Pearl Hoyt.  
"Ben Bolt,"—Miss Millicent Seavey.  
"Old Fashioned Wife,"—Illustrated and sung by Miss Blanche Pottinger.  
"When You and I Were Young,"—Maggie.—Miss Seavey and Miss Baker.

There were also readings by Miss Anna P. Seavey and several violin selections. The program concluded with the singing of the "Star Spangled Banner." Miss Frances Young posing as "Liberty."

After the entertainment, a box party and social was enjoyed.

## GREAT FLEETS TO CRUISE

Washington, June 12.—An extensive cruise of the combined Atlantic and Pacific fleets is planned for this fall and winter. Secretary Daniels said today the itinerary had not been completed but that the fleet would visit several South American ports. No decision as to whether Europe will be included has been reached.

The cruise is planned, the Secretary said, as a reward for the men of the Navy for the arduous services in the war. Shore leave will be given at every opportunity and everything possible will be done to make the trip a "playtime" for both officers and men. Recruits now coming into the Navy it was said, may arrange to participate.

Keep cool and boost—you are a booster if you read the Herald regularly.

## PORTSMOUTH MAN SENTENCED TO PRISON

Exeter, June 13.—The jury in superior court in the case of Charles Spulker of Portsmouth, charged with felonious assault on Ruth Douglas, a ten year old Portsmouth girl on April 14, 1919, found him guilty and Judge Allen imposed a sentence of not less than three and a half years at hard labor at the state prison at Concord.

William and Elizabeth Douglas were found guilty as accessories before the fact but their sentences were continued during good behavior. The jury impaneled consisted of George W. Downing, William H. Dunn and Lewis W. Bwald of Portsmouth, Lewis E. Chase of Newmarket, Herbert L. Seekins of Exeter, Frank D. Wilson of Salem, Fred Sanborn of Portsmouth, Horace P. Blodgett of Kensington, Alfred Hixon of Newmarket, Eugene P. Penbody of Londonderry, John Critchett of Candia and William H. Beede of Newton.

Spulker waived the reading of the warrant and pleaded not guilty. He was represented by Arthur E. Sewall of Portsmouth and the state by County Solicitor William H. Sleeper of Exeter.

## PERSONALS

Mr. C. D. Judkins of the Wentworth is passing a few days in Boston.

J. Winslow Pierce and D. M. Randall witnessed the champion golf at Brea Hunt on Thursday.

R. L. Jones of the Bryant G. Smith Sons Company, Boston, is the guest of Mr. and Mrs. Chester J. Wheeler.

Rev. Percy W. Caswell was called to his former home in New Bedford, Mass., this week by the death of a relative.

Mrs. Endicott Dexter and family have arrived at their summer home on the Lindsey road, York Village, for the season.

Ensign Justin D. Hartford entertained the best man and ushers for his coming wedding at a luncheon on Thursday.

Mr. George William Kimball and son, William Paul, of Chelsea, Mass., is the guest of his cousins, Mr. and Mrs. Arthur G. Cox.

Miss Janet Mitchell, Smith '19, of East Orange, is visiting the Misses Marvin at New Castle. Miss Dorothy Marvin of Camden, N. J., is also visiting.

Allen G. Yeaton, who for 17 years has held the position of janitor at Freeman's block, is soon to move to Manchester, where he has accepted a position with a wholesale house.

Mr. Bailey has resigned his position as a draftsman at the local navy yard and has moved his family from Lawrence street, this city, to Boston, where they will reside in the future.

Ensign C. H. Fleming, U. S. N., Washington, D. C., Ensign R. P. Edman, U. S. N., Ridgeway, Pa., and Ensign Dixwell Ketchum, U. S. N., of New York City are the house guests of Major and Mrs. F. W. Hartford.

Corporal Claude Wilson, U. S. M. C., who was formerly at this navy yard and later sent to Quantico, Va., has been discharged from the service and will join his family in this city at the residence of Mrs. Wilson's parents, Mr. and Mrs. Richard I. Walden on Lafayette road.

Mr. and Mrs. Anon O. Benfield returned Thursday from a visit to Tacoma as the guests of Commissioner of Agriculture Andrew Pelker and wife. While away they attended the commencement exercises at New Hampton and the reunion of their class.

## OBJECT TO SOVIET GOV'T.

(By Associated Press)

Zurich, Switzerland, June 13.—Shocking at the Minority Socialist convention at Weimar, P. Scheide- manns, attacked the partisans of the "new revolution" whose object was to substitute the Soviet for the present government. He declared he would never make a compromise on a question like this.

## ATTENTION PYTHIAN!

The annual memorial services of Damon Lodge, No. 9, K. of P., will be held on Sunday afternoon, June 16. Members are requested to meet at Pythian hall at 1:30 and march to Harmony Grove cemetery, where the exercises will be held. Sojourning Knights are cordially invited to participate. Automobiles will be provided for aged members. Wear white gloves and parade badges. If stormy, the exercises will be held at hall.

F. C. HARMON, C. C.

## TO OBSERVE CHILDREN'S DAY

Children's Day will be observed at the Court Street Christian church on Sunday with a concert by the Sunday school in the church in the morning. Chaplain Rountree, U. S. N., will preach at the evening service, in the absence of the pastor, Rev. Percy W. Caswell, who will preach in Wolfeboro on Sunday.

## HOW MUCH ARE YOUR RENT RECEIPTS WORTH?

The junk dealer may give you a few cents for them. Yet they represent the expenditure of a large sum of money.

## BUILD NOW

Build that house, garage or store now and in a few years you will be able to raise money on it any time you need funds. BUT DO IT NOW.

When you decide to stop paying rent drop in and see us. We are always glad to give our time to anyone who wants to build.

## SHOE RETAILERS TO ORGANIZE IN MANCHESTER

Through the efforts of President Shea and Secretary Ouellet of the Manchester City Shoe Retailers Association a meeting is called for Monday, June 24, to organize a New Hampshire State Shoe Retailers Association.

Over five hundred invitations have been sent out and over one hundred acceptances are already in.

The National Shoe Retailers Association met in Boston January 12 to 15, 1920 and it will be the largest attendance of retail merchants ever assembled at one time. The attendance is expected to exceed 7000 and the Mechanics Hall has been rented so that there will be room for all. Every hotel in Boston has been reserved for the week of the Shoe Dealers Convention.

1600 members are expected to attend from New England states alone and this will mean an attendance of over three hundred dealers from New Hampshire alone. Mr. I. H. Morse of Lowell, Mass., and Mr. W. C. Roosa of Manchester, N. H., are at the head of the Organization Committee.

Practically every shoe retailer in New Hampshire will be represented at Manchester during the State meeting. Mr. Scates (one of the speakers who will be present) made the remark that he received more worth-while ideas from the smaller shoe dealers than he did from those in larger towns, after changing of ideas is the main object of the present meeting.

An informal banquet and a round table discussion will take place at the New Manchester House at seven p. m.

# A SALE OF VOILE SMOCKS

All the joy and happiness of summer is expressed in the unrestrained gaiety of these charming summer-time smocks which have just blown out of their tissue paper wrappings into the waist section. Infinite in variety the styles are quaintly picturesque—some with a demure simplicity, others impressively elaborate.

## FOYE'S

# SOUTHERY DEFEAT THE ATLANTIC

Make it a Walk Over From Ship Yard  
Team in a Poorly Played Game in  
Sunset League

In the first poorly played game of the Sunset league schedule, the Southery defeated the Atlantic on Thursday evening by a score of 3 to 4. The Southery played good ball, but not up to their other games, while the steel shipbuilders were guilty of eight errors and other omissions.

Ignan, the regular star pitcher for the Atlantic, was taken out of the game in the third when he had doubled and turned his ankle. The walk-off bases in the third were scored by Porter, Kennedy, and Steers. Ignan was hit by a pitched ball and Porter scored.

Kelley pitched for the Southery and he held the Atlantic scoreless until the fifth when he let up and they scored four runs. He did not get over good support in spots. Ignan while running bases in the third was injured by turning his ankle and had to be carried from the field. Powers came in from left to catch and Nichol went to left.

It was easy picking for the receiving ship team they put the game away on ice in the first inning when they scored five runs on a combination of errors, bases on balls, and a three base blow. Porter got on on Alto's error; Kelley walked; Homer was hit by a pitched ball and Steers cleared the bases with a three base hit; Anbell drew a pass went to second on a bad throw by H. Robertson and Steers scored on a bad throw by Egan. They scored two more runs in the second. Kelley drew a pass went to

third when Butler threw wide to second and scored on a wild pitch; Porter was thrown out by Daly. Kennedy walked; Homer fled to Cayanaugh; and Kennedy scored when Egan dropped Steers's fly to center.

Ignan was put out of the game in the third when after he had doubled he was run down between second and third and turned his ankle. The walk-off bases in the third were scored by Porter, Kennedy, and Steers. Ignan was hit by a pitched ball and Porter scored.

The Atlantic were unable to score until the fifth when Gibson singled and Alto followed suit; Daly hit to Kelley who forced Gibson at third; Butler hit through Homer and Alto scored; Pool singled and Daly scored; Egan (named and J. Robertson singled and Pool went home from second; but Robertson was caught trying to stretch it into a two-base hit and was run down between bases.

The postponed game of Monday evening will be played this evening. The Atlantic vs. the K. C.

The score:

	ab	r	b	h	p	e
Porter 1. f. c.	3	1	1	1	0	0
Kennedy 1b	3	1	1	1	0	0
Homer 3b	2	1	1	2	0	0
Steers s. s.	2	1	1	0	2	1

Atlantic	0	0	0	4	—	4

	ab	r	b	h	p	e
Two-base hits—Ignan; Three-base hits—Steers; First base on balls—off Butler 4; Struck out—by Kelley 4, by Butler; Hit by pitched ball—Homer; Wild Pitch—Butler; Time—1 hr. 15 m. Umpires—Woods and Heffernan; Attendance—2300.						

## TRAP SHOOTERS BUSY THIS MONTH

There will be the usual weekly shoot at the Country Club on Saturday afternoon. The shoot this month other than the fact that they count on the season events, will be more in the nature of practice shoots in preparation for the State shoot which takes place on the 27th and 28th of this month at Exeter. Many of the best gunners will take part and they want to get in trim. It is hoped that a first class team may be secured to take part in the team shoot which comes on Saturday, the last day of the meet.

W. O. Hill and Leonard Clark were here the first of the week on their way to the Vermont State shoot which is being held this week. They will be at Exeter and predict a big field. Mr. Clark who has just managed the big Lakewood shoot will have charge of the Mapwood shoot from June 1 to 5th, and there will be \$4000 in prize money. A very fine method of class events will be held so that every grade of shooters will have an equal chance in his class.

## RAPAHANNOCK TO BE FLEET SUPPLY SHIP

A communication from somebody on U. S. S. Rapahannock, signed "Club," has been received at this office protesting against the item in this paper calling the ship "Atlantic transport." The reporter was given that title for the ship from the navy yard and used it. It appears that the ship did carry one cargo of horses en route to Europe during the war, but that was the only lot of horses or other animals taken.

The ship and her good crew are well-known to Portsmouth and we apologize if the article offended them, but disclaim any intent to belittle the good ship Rapahannock.  
The big ship has been sent here to be made over into a navy supply ship and the navy officers are enthusiastic over this addition to this branch of the service. She will be when changed over the largest navy supply ship and will be able to carry stores sufficient for an entire fleet. The alterations will be an extensive job and the ship will be stationed here for some time. She is the largest ship of her type that has ever tied up at this yard.

## POLICE NEWS

A lad eight years old, was caught by the police just evening taking shoes from the United Shoe Company store on Market street. He had broken a window in the rear and had taken out the shoe boxes with the shoes when the officer found him. It appeared that he was not interested in the shoes but wanted the boxes to make something. He was taken home.

Oscar St. Clair, age 30 living on High street was arrested by the police on Thursday afternoon for indecent conduct. He will be given a trial this morning.

## NEWCASTLE

New Castle, June 13.—A fine concert is to be given this (Friday) evening at the New Castle Service Club by Lieut. Thomas Mott Osborne, U. S. N., pianist, and Peter Kuriz, violinist. The affair is given especially for the enlisted men, but the people of New Castle are extended a cordial invitation to attend.

The weekly dance on Wednesday evening at the Service Club was largely attended and a pleasant affair.

## OBSEQUIES

Willard B. Hammond  
The funeral services of Willard B. Hammond were held at Greenwood cemetery, Elliot, Thursday afternoon at two o'clock, Rev. D. J. Conlan of the Congregational church officiating. Interment was in the family lot in Greenwood cemetery under direction of A. J. Trotter of Ham's Undertaking Rooms.

## PORTSMOUTH ICE COMPANY

June 9, 1919  
The transfer of the Portsmouth Ice Company to the undersigned has just been completed. The transfer having been made during the hot weather of last week caused considerable delay in delivery of ice to the companies customers.

We are now ready to serve all of our customers and we ask their continued patronage and we assure them that with our new organization we will have no trouble in making prompt and satisfactory deliveries.

## GOING TO HOP OFF TODAY

(By Associated Press)

St. John, N. F., June 13.—Officers of the Vickers-Vimy trans Atlantic flight expedition, announced today their expectation to get away this afternoon on the 2000 mile "hop" to Ireland. The skies were clear and a southwest wind was blowing. The Hazelton-Lago trans Atlantic flight also expected to make a start this afternoon at about 3 o'clock and this morning went by for a trial flight. Later it was announced the start of the Vickers-Vimy machine may be postponed until tomorrow. Mechanics discovered this morning that an axle in the wheels had been sprung in land the last flight. The damaged part must be replaced. It was also known that the Hazelton-Lago machine, which made a successful trial flight over the water today is not expected to "hop" off before Sunday.

## SUPPER SERVED BY BENEVOLENT SOCIETY

The Benevolent Society of the Christian church served a public supper to the weary Thursday evening with a good number of patrons. The

supper menu included salads, baked beans, white bread, pickles, assorted cake, fancy pies and coffee. Mrs. Edward Seavey was in general charge. Following the supper a business meeting of the Benevolent Society was held in the church parlor.

## BOY BROKE GLASS AND TOOK SHOES

Patrolman Finds Him in Rear of Store With the Goods.

A boy about 10 years of age was found by Patrolman Weston in the rear of the United Shoe store on Penhallow street early on Thursday evening. Investigation showed the lad had removed the glass from one of the windows and taken out some ladies' pumps and men's putting shoes, all of which would have been little use to the lad. He may later appear in the juvenile court.

## DINNER TO WEDDING PARTY

The marriage of Miss Marjorie Marvin and Edwin Justin D. Hartford, U. S. N., occurs Saturday evening at the church at Little Harbor. The wedding party will be entertained this evening at dinner at the summer home of the bride's parents, Mr. and Mrs. Thomas O. March at Wild Rose Lane, New Castle.

*Keeping your Home  
Beautiful*

The Living Room—is the name true?

In your house is there a room furnished in such a comfortable and home-like manner that you can truly call it The Living Room? Take a look around now while you are resting and reading The Herald. Is the room you call the living-room worthy of the name? If it is not worthy, then you can change the situation in two hours by adopting the following suggestion:

Make a trip to Margeson Brothers, look over the many patterns in unusual chairs, davenports, tables, etc., that we are showing, and discuss what would be most appropriate for your purpose. Our telephone number is five-seven-o.

Margeson Brothers.

## TIME TO DO SOMETHING

The police or some one in authority should prohibit the parking of autos on Vaughan street and on some of the others. It would correct many of the dangers and permit traffic to move. This is the main thoroughfare to Dover and there is every reason for someone in authority to act. Portsmouth is not a country village.

## THE MATTER IN A GREAT MEASURE IS UP TO THE MEN

Use Steam Cars in Winter and  
Ride Any Old Way in  
the Summer.

The report that the Boston and Maine railroad is planning to discontinue certain trains running into Portsmouth carrying shipyard and navy yard workmen appears to have caused quite a stir among the passengers who do not care to lose either the trains or their jobs.

The proposed plan of the railroad to drop these trains if the necessary number do not ride, has led the workmen to become very active in the matter of having the trains retained. One way the workmen can help themselves would be to ride on these trains which are on the schedule for their benefit and not any train they can get on return trips at night from Portsmouth.

The situation concerning the service on the York Harbor and Beach railroad is brought practically by the workmen themselves from the fact that in the winter season when the electric lines are tied up and autos are unable to make the trips to Portsmouth and Kittery from York Beach, a great howl goes up for steam railroad service. When the fine weather comes many of them take to the jitneys, electric and any old way to ride back and forth when they can ride for almost the same fare or less on the steam lines. In many ways the matter of transportation for these men is up to them and they alone can straighten things out.

## WHY NOT THROW IN KITTERY?

The admirers of the Atlantic Guard quail team, Quinn and Hayen, hope to see their favorites take part in the Atlantic program at Kittery during the celebration on July 1 and meet the team from South Kittery in a contest. If Quinn and Hayen do not get a match soon they will have to keep

HAS INITIATION

The regular meeting of Storer Relief  
Corps, No. 6, was held at O. A. R.  
hall Wednesday evening, a good number  
being in attendance and two con-  
didates were initiated. A rehearsal  
was held for the district meeting to be held  
on June 15, the corps of Hampton,  
Seabrook, Exeter and Newmarket to  
be present. The charter was draped  
in memory of the late "Mamie" G.  
Mint of Concord, past national president  
and past department president.

## DONDERO'S

Quality, Schrafft's and Reputation.  
Chocolates in bulk or fancy packages.

## HOSPITAL PATIENTS

Given Pleasant Party at the  
Walker Bungalow.

On Thursday evening, June 12th, a  
party for convalescent soldiers and  
marines from the Naval hospital was  
given at Sagamore Lodge, the summer  
recreation center of the War  
Camp Community Service. Six young  
women from Newburyport and an  
equal number from Portsmouth, all  
members of the Girls' Division of the  
War Camp Community Service, entertained  
the men with music and dancing.  
The men who were unable to  
dance helped with the refreshments,  
an important item of the evening.

Mrs. J. Wallace Clark and Mrs. E. L.  
Cheney, members of the Portsmouth  
committee on Girls' Activities, and  
Mrs. Larrabee vice-chairman of the  
Girls' Service League committee of  
Newburyport, served as hostesses.  
When the cars, which had been provided  
by the War Camp Community  
Service for the transportation of the  
men to and from the navy yard ferry,  
were ready to leave the lodge, three  
enthusiastic cheers for the War Camp  
Community Service were given, and  
special requests were made for more  
parties in the near future.

Miss Maude E. Smith, Community  
Organizer for Girls' Division, Portsmouth,  
and Miss Rebecca Oster,  
Community Organizer for Girls' Work  
in Newburyport, Mass., are already  
planning a series of these parties in  
which it is hoped to include as many  
as possible of the convalescent soldiers  
and marines.
